

BETTENDORF FINE ARTS PATRON MEMBERSHIP FORM

At BHS, we believe that kids are offered great opportunities when it comes to Fine Arts whether they are involved in band, choir, orchestra, or theater. Our hope is that you see the value in the enriching learning experience that they are receiving.

The Bettendorf Fine Arts Booster or “BFAB”, is an organization that is dedicated to supporting and promoting our talented students. We exist to provide these students the best possible Fine Arts opportunities. The Patron Program is one way to help achieve this. By supporting this program, you help provide materials, supplies, uniforms, trip assistance and other items necessary to run the fine arts department.
